pGDx 4.3" display

New HW revision

Dear Colleagues,

This is to inform you that starting from week 15/21, the pGDx 4.3" family products (part numbers PGR04% and PGB04%) will have an extended range of compatibility regarding the installed displays. The performance, color range and working angles will be completely equivalent between the different displays mounted.

The extension to the range will be identified by a new revision on the label.

Current product revision: 1213A → **New product revision 1313A**

Please do not hesitate to contact us for any further information.

Best regards

CSE – Central & Southern Europe
