ON THE MOVE TO A2L WITH TECUMSEH A2L COMPRESSORS AND CONDENSING UNITS

Dear Customer,

Jan 1st 2021 provided another significant step in F-Gas phase down which will commence the transition to A2L refrigerants. To support you in making the move to A2L, Tecumseh announces **the launch of its new A2L e-catalogue.**

Among the highlights you will find:

- ▶ The 5 good reasons to move to A2L,
- ▶ Application examples in the form of case studies,
- ▶ Product Certifications,
- ▶ Links to useful Selection tool and Tecumseh guides.

This e-catalogue has numerous interactive functions to include; easy search by the product designation, sharing the catalogue, download in PDF or print HD quality.

[Flip through Tecumseh new A2L e-catalogue](#) and view all our A2L compressors and condensing units.
